MEMORANDUM TO: Chief, Finance Division

SUBJECT: Distribution of Finance Division notices
and related items

1. Project [REDACTED] is not on the distribution list for official Finance Division and O&L notices, Comptroller memorandums, etc.

25X1A6b

2. In view of the unique nature of the project, it is required to follow Headquarter procedures in many instances as well as Class A procedures. Lack of this information is found to be a handicap. Therefore, it is requested that the Project be put on the distribution list for all Finance Division and Comptroller notices and/or directives that are issued to Headquarter components and field stations.
